

## How to Access and Participate in Member Forums on subrogation.org For NASP members only...

1. **Login** to the member area of subrogation.org by clicking the “members only” link in the top right corner of the site.

### Accessing Forums

2. Once you have signed in, click the link for “Message Board” on the left-hand navigation. This will pull up a list of our member only Forums.

3. Select the forum you would like to participate in by clicking the link for your forum from the list. Ex: Forum: Conferences. Each forum will contain a variety of topics and discussion threads relevant to that forum.

### Participating in Topics

4. Click on the topic you would like to read or write about. You can also create a new topic for discussion by using the form below and clicking the "Submit" button.
